Dear Woodberry Down Families,

As part of our Religious studies topic on Christianity, all pupils will have the opportunity to visit a local community place of worship. The visit will allow pupils to consolidate their understanding of the topic as well as ask the Vicar Tunde questions they have gathered as part of their learning journey. The children will also look closely at how the architecture expresses each community's way of life, religious customs and values.

Please see below the details of the visit. As the visit is local, a consent form is not required, please note that all pupils will have lunch within school as normal.
