

Year 5 Curriculum leaflet Autumn 1

Map It!

Properties and Changes of Materials

Reading & Writing

In English we will be:

- developing our reading fluency
- engaging with unfamiliar vocabulary
- evaluating language used by authors and the effect it has on readers
- using a wide range of devices to build cohesion

Maths

We will be learning how to:

- develop our understanding of place value with large integers
- compare and order 5 and 6-digit numbers
- solve problems with a range of strategies
- use a range of mental strategies to add and subtract

Science

We will be learning how to:

- compare and group everyday materials on the basis of their properties
- identify materials that will dissolve in liquid to form a solution
- use knowledge of solids, liquids and gases to decide how mixtures might be separated

Geography

We will be learning to:

- identify what the Tropics of Cancer and Capricorn are like
- identify what the Arctic and Antarctic Circle are like
- locate specific locations on an ordnance survey map

PE

We have a PE lesson every **Tuesday and Thursday** so please wear a PE kit on those days.

This term's focus will be football and basketball.

PSHE

This term our focus will be on **'Being Me in My World.'** In this unit, we will be setting end of year goals and learning how to face challenges positively. We will also be learning about our rights and responsibilities as a British citizen.

Home Learning

You can support me by:

- helping me practise my times tables, from 1-12
- reading a variety of texts with me across a range of genres
- supporting me to complete my weekly homework and spellings.
