

Year 6 Curriculum leaflet Autumn 1

Map It!

Living Things and their Habitats

Reading & Writing

We will be learning how to:

- make and justify inferences about a text
- explain and evidence our ideas about a text
- develop our stamina to allow us to write longer, sustained pieces of work

Maths

We will be learning how to:

- represent, read, write, order and compare numbers up to ten million
- round numbers, make estimates and use this to solve problems in context
- solve multi-step problems involving addition and subtraction

Science

We will be learning how to:

- describe how living things are classified into broad groups according to common observable characteristics
- give reasons for classifying plants and animals based on specific characteristics

Geography

We will be learning how to:

- identify how climate zones and physical geography differ in varied locations
- identify types of settlement and how land use differs in varied locations

PE

PE lessons will be on a **Wednesday** and **Friday** so please wear a PE kit on those days.

This term's focus will be on netball and football.

PSHE

This term our focus will be on **'Being Me in My World.'** In this unit, we will be exploring the key themes of how to manage self-esteem and confidence, including how to stay safe in a digital world.

Home Learning

You can support me by:

- helping me practise my times tables, from 1-12
- reading a variety of texts with me across a range of genres
- supporting me to complete my weekly homework and spellings
