

Year 6 Curriculum leaflet Autumn 2

Light

Benin

Reading & Writing

In English we will be:

- making and justifying inferences about a text
- considering how authors have developed characters and settings
- selecting appropriate grammar and vocabulary, considering how this can enhance meaning

Maths

We will be learning how to:

- use angle facts to find unknown angles
- order, simplify and compare fractions, including those greater than one
- use knowledge of the order of operations to carry out calculations

Science

We will be learning how to:

- recognise that light appears to travel in straight lines
- explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- explain why shadows have the same shape as the objects that cast them

History

We will be learning about:

- the origins of the Benin civilisation
- how Benin changed over time
- the British invasion of Benin

PE

PE lessons will be on a **Wednesday** and **Friday** so please wear a PE kit on those days.

The focus of the sessions will be fitness and gymnastics

PSHE

This term our focus will be on **'Celebrating Difference'**.

Pupils will learn about valuing diversity and challenging both discrimination and stereotypes. They will explore how to express opinions while respecting other points of view.

Home Learning

You can support me by:

- helping me practise my times tables, from 1-12
- reading a variety of texts with me across a range of genres
- supporting me to complete my weekly homework and spellings
