

Year 4 Curriculum leaflet Autumn 2

Reading & Writing

In English we will be:

- reading SFA books at our level to develop our reading fluency and comprehension
- using fronted adverbials to add description
- proofreading our work for spelling and punctuation errors

Electricity

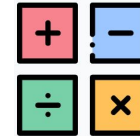

The Romans

Maths

We will be learning:

- mental multiplication and division strategies using known facts
- short multiplication and division
- reading, interpreting and constructing pictograms, bar charts and time graphs

Science

We will be:

- identifying common appliances that run on electricity
- constructing a simple series electrical circuit, identifying the cells, wires, bulbs, switches and buzzers
- recognising some common electrical conductors and insulators

History

We will be learning about:

- The Roman Empire and its powerful army
- The Roman army's invasion of Britain
- British resistance to Roman rule, including Boudica
- The legacy the Romans left on Britain

PE

We have a PE lesson every

Monday (4B)
Tuesday (4W & 4D)

Please wear a PE kit on those days. The focus of the sessions will be fitness.

We will be swimming every

Monday (4D)
Tuesday (4B)
Thursday (4W)

Please remember your swimming kit.

PSHE

This term our focus will be on 'Celebrating Difference'.

Pupils will explore the importance of respecting similarities and differences, including discussions these differences sensitively. They will also explore the importance of being courteous and polite.

Home Learning

You can support me by:

- helping me practise my times tables, from 1-12
- reading a variety of texts with me across a range of genres
- supporting me to complete my weekly homework and spellings.
