

Year 5 Curriculum leaflet Spring 2

Earth and Space

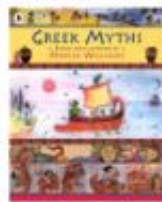

The Greeks

Reading & Writing

In English we will :

- Read and explore **So You Think You've Got it Bad?** and **Greek Myths.**
- Write a non chronological report
- Write our own myths

Maths

We will be learning how to:

- Add and subtract fractions.
- Multiply fractions by a whole number.
- Convert between percentages, decimals and fractions.
- Find coordinates in all four quadrants.
- Translate and reflect images.
- Calculate intervals across zero.

Science

We will continue to learn how:

- To observe and record how shadows caused by the Sun change through the day.
- To research and explain time zones.
- Consider and describe the views of scientists from the past.
- To explain, using diagrams, models, animation or role play, the movement of the Earth and Moon.

History

We will be learning about:

- Ancient Greek culture and religious practices.
- Ancient Greek democracy and how it compares to British democracy.
- Influential leaders in Ancient Greek society.
- Children will also visit the Ancient Greek exhibits at the British Museum.

PE

We have a PE lesson every

Tuesday (5W & 5B)

Thursday (All)

Friday (5D)

Please wear a PE kit on these days. The focus of the sessions will be tag rugby and fitness.

RE

This term our focus will be on Morals and Values.

We will be learning to understand the rules of living across and between religions and suggest ways in which they might help believers with difficult decisions.

Home Learning

You can support me by:

- Helping me recall at speed times table and related division facts.
- Reading a variety of texts with me across a range of genres.
- Supporting me to complete my weekly homework and practise my spellings.
