

Year 3 Curriculum leaflet Summer 2

MONARCHY

Reading

We will be reading:

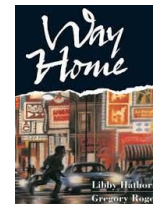

- SFA/RWI books at our level to develop our reading fluency
- DEAR sessions to enjoy reading for pleasure
- Continuing to develop retrieval and inference skills
- Exploring new vocabulary and how it is used in context
- Explore new texts that link to our history and science topics

Writing

We will be reading the book **Way Home** by Libby Hathorn and learn how to

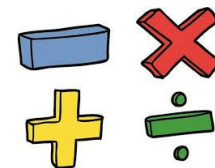

- convey character through action, thought and dialogue
- use inverted commas for speech and quotes
- choose the appropriate tone for audience

Maths

We will be learning about:

- Multiplication and division in the 6 and 8 times tables
- A range of strategies to add and subtract efficiently
- Halving and doubling and how to use this to calculate efficiently
- Comparing numbers up to 1000

Design & Technology

We will be learning all about **Seasonal Dishes!**

We will be looking at how to cook and apply our understanding of nutrition and healthy eating to our dishes:

- Use a range of preparation techniques
- Explore different cooking techniques such as grilling, frying, boiling.

Physical Education

We have a PE lesson every Friday so please wear a PE kit on those days.

During PE lessons we will be learning: **Athletics!**

- Building our endurance and speed through sprints
- Throw towards intended target as well as throwing for distance
- Team cooperation during relay races

Computing

We will be learning how to:

- Design and create content on a digital device
- Use and combine a range of programs on a digital device such as an iPad
- Use multiple programs on a digital device to achieve a particular goal

Home Learning

You can help me at home by:

- Helping me with spellings and Maths homework.
- Helping me learn my multiplication tables up to 12 x 12.
- Reading with me regularly.
- Encourage me to complete home learning projects!
