

English

In English we will:

- read **So You Think You've Got it Bad? A Kid's Life in Ancient Greece** and **Ancient Greek Myths** including Perseus and Medusa, Theseus and the Minotaur and Pandora's Box.
- retell known myths and write our own myths.
- write non chronological reports about life in Ancient Greece.

Maths

We will be learning how to:

- add and subtract fractions with the same and different denominators.
- multiply fractions by a whole number.
- convert between percentages, decimals and fractions.
- find coordinates in all four quadrants.
- translate and reflect images.
- calculate intervals across zero.

$$\frac{1}{2} + \frac{1}{3} = ?$$

Science

We will continue with our science topic **Earth & Space**. We will be learning how to:

- describe the movement of the Earth and other planets relative to the sun in the solar system.
- describe the movement of the moon relative to the Earth.
- use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun.

History

Our history topic is **Ancient Greece**.

We will be learning about:

- Ancient Greek culture and religious practices
- Ancient Greek democracy and how it compares to British democracy
- influential leaders in Ancient Greek society
- Ancient Greek exhibits at the British Museum through a school visit

Curriculum Information

new wave
federation

Year 5 - Spring 2

Computing

Our computing topic will be **Flat-file Databases**. We will be learning to:

- use tools within a database to order and answer questions about data.
- learning how to refine data collections using terms.
- create graphs and charts from our data to help solve problems.

PE

Our PE topic will be **Tag Rugby**. We will learn how to pass and move in rugby and think about strategies involved in invasion games.

We have a PE lesson every: **Friday**

Please ensure your child comes to school in their PE kit with plain black or white trainers on these days.

PSHE and RE

This term our focus in **PSHE** will be on **Healthy Bodies**. We will be learning:

- what an informed choice is and how to make healthy and safe choices.

In RE our topic is **Morals and Values**. We will be learning to:

- understand the rules of living across and between religions.
- suggest ways in which they might help believers with difficult decisions.

Art and Design

Our art and design topic is **Fashion Design**. We will be:

- exploring the work of contemporary fashion designers such as Alice Fox, Rahul Mishra, Pyer Moss and Tatyana Antoun for inspiration.
- considering how we can use colour to express ourselves.
- designing, making and evaluating our own fashion prints.
