Dear Year 2 Families,

Re: Year 2 Morning Arrangements

I am writing to you to inform you that, from Thursday 8th September, our Year 2 children should enter school through the main gate at the start of the school day. This means that they should not walk into school using the gate that they currently use but that they should use the gate used by our KS2 pupils.

The children will walk through the gate and follow the stairs into the playground where they will meet their teachers. They will then be taken into the classroom by their teachers as they do after breaks and lunches. We ask that you leave them at the gate to be guided to the playground by the adults who will be there to support them.

In the meantime, thank you for your support with this change.

Kind regards
