RE: Introduction

Dear Woodberry Down Parents and Carers,

My name is Shayne Davids and I am the new Inclusion Lead at Woodberry Down Primary School. Although I met and worked with many of you last year, I wanted to reintroduce myself and share my new role within the school.

Within my role, I am responsible for overseeing the provision of special educational needs support, disabilities and medical needs. This includes referrals to services and the management of Educational Health Care Plans (EHCPs). The inclusion team also includes Mr Shevket, who leads on medical needs, and Mr Theodule, who manages the wider pastoral care within our school.

If you have any questions or concerns around your child, please do not hesitate to contact me, your child's class teacher, or another member of our Inclusion Team. We look forward to supporting you and your family this academic year.

Kind regards,

Shayne Davids
Inclusion Lead
