Wednesday 16th November 2022

Dear Woodberry Down Families,

**Re: Autumn 2 Assessment**

I am writing to remind you of our upcoming reading and mathematics assessments (PIRA and PUMA) for our children from Year 1 to Year 5. These assessments will take place during the week beginning Monday 21st November.

Year 6 will sit mock SATs papers during the week beginning Monday 28th November.

Results and information from these tests enable us to measure the progress our children are making and to identify any gaps in their learning. The teachers will then share this information with you in the upcoming parent consultations on Thursday 8th December.

For those pupils with an Education Health Care Plan (EHCP), special arrangements will be put into place during the assessment periods. This includes additional time to complete tests. Teaching assistants will also share a social story with these pupils in advance of the tests and these will be sent home to families to look at together at home.

Please continue to support your child by reading with them every day and ensuring that they complete any home learning activities set for them by their teacher.

Thank you for your continued support,

Derek Hewie  
Headteacher
