Dear KS2 Families,

**Re: iPad Homework**

I wanted to thank our families for the excellent support offered to the children with the completion of homework and assignments set for the children by their teachers. The children are very proud of the work that they complete with you at home and talk very positively about this.

As you will be aware, for children in KS2, iPad homework assignments are set each Friday and are expected to be completed by the following Wednesday. These are available to the children by logging into Google Classroom.

With this in mind, we wanted to confirm arrangements for returning iPads to school each week.

- iPads must be returned each Monday as they are used in lessons throughout the school week;
- the children may take their iPads home with them on a Monday and Tuesday evening to complete any homework tasks;
- All tasks must be completed by Wednesday.

In addition to homework tasks, please be reminded that the children complete a spelling test in class each Friday. The words to be learnt by the children have been sent home previously and can also be found on our website here:

Thank you for your support.

Best wishes
