Dear Year 6 Families,

Re Monument Workshop

On Monday 21st November, all Year 6 children will be taking part in a 'Make Your Own Monument Workshop'. This will be run by **UP Projects** who have created the **National Windrush Monument** at Waterloo Station and will explore the themes that underpin this monument.

The workshops will encourage our pupils to consider the importance of monuments, what they celebrate and represent, and how to capture something within a piece of art. This will include watching a short film about Basil Watson, the artist behind the Windrush Monument. Students will then design their own personal monument, explaining what it is and why it is important to them.

We are looking forward to sharing the outcomes of this workshop with you all.

Kind Regards,

Sophie Graham
Deputy Headteacher
