Dear Families,

Re: Family and Community Participation

We are writing to you about our intention to reintroduce the Woodberry Down Parent Council over the coming weeks.

We believe that we have excellent links with our families and the wider community. In order to strengthen this, we are hoping to set up a group of parents, with representatives from each year group to facilitate better communication and even stronger links between parents and the school.

Our intention is to hold meetings each term and that these are attended by parent representatives and a member of the Senior Leadership Team. Items to be discussed in the meetings would be gathered from families across the school and would have a focus on wider school topics and facilities rather than on individual children.

In the first instance we are reaching out to you to gauge interest and to find parents from each year group who may have the time to be involved in this project. We ask that you send an email to wdooffice@newwavefederation.co.uk stating your interest in joining the group. We will then hold our first meeting on Wednesday 19th April to discuss how we can develop the group.

Kind regards

Nicole Reid
