Dear Families,

Re: End of Spring Term 2023

With next week's weather forecast improving, we are sure that a bright and exciting fortnight is ahead of us. We are always busy here at Woodberry Down and this term has been no different. I know that both our children and staff will enjoy a well deserved break from school.

Firstly, we would like to thank the families who attended our consultation meetings over the last few days. We were delighted to see so many of you in attendance. These meetings enable teachers to inform you of how well our children are progressing and about any support you can offer at home. Those who attended will also have heard about the wide range of subjects we provide at the school. We continue to offer specialist provision in sports, art, music and Spanish each week. As well as this, we wholeheartedly believe that school trips are essential for our children and that we provide opportunities to visit exhibitions, museums and galleries every term.

Our [twitter page](#) regularly promotes celebrations and events related to the curriculum. We were delighted to have been able to invite you into the school this term for 'Come Learn with Me' sessions, drumming events, year group assemblies, coffee mornings, messy play sessions, music & movement activities and informative curriculum sessions. Your engagement with these events is warmly appreciated by our staff and children.

On behalf of 'Friends of Woodberry Down' we would like to thank those who have contributed to fundraising by donating treats and cakes for the sales this term. We are always grateful for your charitable donations and to those who buy the treats in support. It is vital that our children are reminded of the importance of kindness, charity and worthwhile causes.

We would like to take this opportunity to wish our muslim families a Ramadan mubarak. We hope that the holy month can be spent with your families and loved ones. To our Christian families, we wish you a very Happy Easter and again, hope that the time is spent celebrating and reflecting with those around you.

It just leaves us to wish you a relaxing break from school. Please be reminded that that school closes today, Friday 31st March at **2.00pm**. The school gates will reopen at **8.45am** on **Monday 17th April**.

Kind regards
