Dear KS1 Families,

Re: Reading for pleasure coffee morning

I would like to invite parents from KS1 to a coffee morning that will focus on supporting your child with **reading at home**. The session will be an opportunity to gain an insight into reading strategies that we use at school and how these can be used at home.

Additionally, I will provide more information on the importance of **reading diaries** and how these can be used effectively to promote reading for pleasure at home.

The session will take place on **Thursday 25th May 2023 9 - 9:30**

Refreshments will be provided .

Best wishes,

A handwritten signature in black ink, appearing to read 'F Waldon'.

Mr Frederick Waldon
Reading Leader
