Dear Year 4 Families,

Re: Curriculum Information

It was a delight to see all of the children back at school last week, eager and excited to start their new topics and to see their friends after the break. We had a very positive three days and look forward to the weeks ahead.

We are writing to you to provide information and links to important documents that you will need in order to support your child this term and to ensure that you are well prepared.

Please be reminded that we expect our children to arrive at school each day, dressed in the Woodberry Down uniform. Click [here](#) to read about our school uniform.

In Year 4, our **PE** day is Friday. We will continue to go swimming each week. These days have not changed.

Your child must be dressed appropriately, in the school uniform for all PE lessons. They should attend school dressed for PE on these days.

This term, our Year 4 children will be studying a geography unit called [Earthquakes and Volcanoes](#) and will be continuing with their science unit, [Materials and States of Matter](#). As always, further information about the Year 4 curriculum can be located on the school [website](#).

Please note that, in Year 4 homework is shared via Google Classroom. Our children are expected to submit completed work each Tuesday. We also set a half-term Homework Challenge. The Spring 1 challenges can be found [here](#). In addition, spelling words for this term can be found [here](#). The children have a spelling test each Friday. Your child's classteacher is always available to share spelling test results should you ask them at the end of the school day.

In the meantime if you have any questions about curriculum and learning, please feel free to speak to your child's classteacher or a member of the leadership team.

Kind regards,

A handwritten signature in black ink, appearing to read "Derek Hewie".
