

Year 5 Curriculum leaflet Spring 1

Earth & Space

Our Natural Planet

Reading & Writing

In English we will be:

- reading *Wonder* by R.J. Palacio
- developing characters, writing diary entries and first person recounts inspired by *Wonder*
- we will also be writing persuasive letters in different formats
- proofreading, editing and publishing our writing

Maths

We will be learning how to:

- read, write, order and compare decimals
- represent, identify, name, write, order and compare fractions
- calculate fractions of amounts
- classify and compare angles
- Measure and draw angles
- calculate missing angles

Science

We will be learning how to:

- describe the movement of the Earth and other planets relative to the sun in the solar system
- describe the movement of the moon relative to the Earth
- use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky

Geography

We will be learning to:

- deepen knowledge of the differences between biomes, climate zones and ecosystems
- explore global warming and climate change
- understand actions humans can take to help protect the natural world

PE

We have a PE lesson every

Tuesday (5W & 5B)

Thursday (All)

Friday (5D)

Please wear a PE kit on these days. The focus of the sessions will be gymnastics and netball.

RE

This term our focus will be on

Celebration and Festivals

We will be learning to:

- make connections between stories, symbols and beliefs across festivals
- understand the importance of festivals such as Easter, Diwali, Eid-ul Fitr and Pesach
- describe similarities and differences between religions

Home Learning

You can support me by:

- helping me recall at speed times table and related division facts
- reading a variety of texts with me across a range of genres
- supporting me to complete a geography project, weekly homework and practise my spellings
