

# Year 5 Curriculum leaflet Autumn 2

Forces

The Vikings

## Reading & Writing

In English we will be:

- reading SFA books at our level to develop our reading fluency and comprehension
- selecting appropriate grammar and vocabulary
- assessing the effectiveness of their own and others' writing

## Maths

We will be learning how to:

- identify multiples, factors and prime numbers
- multiply and divide by 10, 100 and 1000
- use a range of mental calculation strategies
- investigate the area and perimeter of shapes

## Science

We will be learning how to:

- explain the impact of gravity on objects falling towards the Earth
- identify the effects of air resistance, water resistance and friction, that act between moving surfaces
- recognise that some mechanisms, including levers, pulleys and gears, allow a smaller force to have a greater effect

## History

We will be learning:

- who the Vikings were and where they originated
- the reasons behind Viking raids and the factors that made them settle in the British Isles
- the Anglo Saxon and Viking battle for the Kingdom

## PE

We have a PE lesson every **Tuesday (5W and 5B)**  
**Thursday (5W, 5B and 5D)**  
**Friday (5D)**

Please ensure the children wear a PE kit on those days. The focus of the sessions will be fitness and gymnastics

## PSHE

This term our focus will be on **'Celebrating Difference'**.

Pupils will discuss prejudice and discrimination. They will use a range of scenarios to support them in responding respectfully to a wide range of people.

## Home Learning

You can support me by:

- helping me practise my times tables, from 1-12
- reading a variety of texts with me across a range of genres
- supporting me to complete my weekly homework and spellings.
