

English

In English we will:

- read RWI books to develop our reading fluency
- read books as a class to develop our comprehension skills
- join words and clauses using 'and'
- begin to punctuate sentences using a question

Maths

We will be learning to:

- Identify, represent, compare and order numbers to 20
- Double and halve
- Represent and explain addition and subtraction strategies including 'Make Ten'
- Use known facts to add and subtract
- Read, write and tell the time to o'clock and half past on analogue clock
- Sequencing daily activities
- Use whole and half turns linked to time

Science

We will be learning about Animals and the Human Body and to:

- Identify and classify animals into the five animal groups.
- Describe and compare a variety of common animals.
- Identify and label parts of the human body and explain which of the five senses they are associated with.

History

We will:

- Learn about what a museum is and its purpose;
- Visit a museum and create a class museum;
- Create a timeline for the school and interview a person who has worked for a long time at our school.

Curriculum Information

new wave
federation 

Year 1 - Autumn 2

Computing

We will be learning how to:

Digital Painting

- We will be exploring the world of digital art using a range of creative tools
- Gaining inspiration from artists such as Piet Mondrian and Henri Matisse

PE

- We have a PE lesson every **Monday & Thursday (1W) Thursday & Friday (1B & 1D)**
- Please ensure your child wears their PE kit on those days.
- The focus of the sessions will be 'attack, defend, shoot.'

PSHE

We will be learning about celebrating difference by:

- Understanding the similarities and differences between our peers in the class.
- Know how to make new friends.
- Who to talk to at school if I am having difficulties within my friendship group.

D&T

We will be learning about preparing fruit by:

- Using simple utensils and equipment to peel, cut, slice, squeeze, grate and chop safely
- Selecting from a range of fruit according to their characteristics
- Tasting and evaluating a range of fruit to determine the intended user's preferences
