

English

We will:

- Read Clockwork, using this as a stimulus for writing both a narrative and instruction text.
- Read selected poems from Overheard in a Tower Block, using this as a stimulus to write our own poetry.

Maths

We will be learning how to:

- Compare and classify a range of geometric shapes
- Use angle facts to find unknown angles
- Draw a range of geometric shapes using given dimensions and angles
- Describe, draw, translate and reflect shapes on a coordinate plane
- Recognise and construct 3D shapes
- Name and illustrate parts of a circle

Science

We will be learning about electricity and how to:

- Use recognised symbols when representing a circuit.
- Make circuits to solve a particular problem.
- Carry out fair tests exploring changes in circuits.

History

We will be learning about:

- The rise and fall of the Benin Empire;
- The significant rulers (obas) of the Benin Empire;
- The Benin bronzes and their importance in understanding the empire
- The role of the Benin Empire in the Transatlantic trade.

Curriculum Information

new wave
federation 

Year 6 - Autumn 2

Computing

We will be learning about:

Web Page Creation

- We will identify what makes an effective web page
- Create our very own web page using Google Sites
- During this, we will gain a better understanding of copyright and fair use of media, aesthetics of a site and navigation paths

PE

- We have a PE lesson every: **Thursday and Friday 6W & 6B**
Tuesday and Friday 6D
- We will be focusing on Hockey and Netball this half term.
- Please ensure your child wears their PE kit on those days.

PSHE

We will be learning about 'Celebrating Difference' by:

- Knowing some of the ways in which one person or group can have power over another.
- Discussing how it feels to be excluded or treated badly by being different in some ways.
- Understanding the different perceptions about what normal means.

Design

We will be learning about 2D drawing to 3D making we will learn:

- When we transform two dimensional surfaces, we can use line, mark making, value, shape, colour, pattern and composition.
- We can use methods such as the grid method and looking at negative space to help us draw.
