

# HOME LEARNING MAKER MAT

## Physical Development

Help out with preparing a snack. Use a safe knife to cut up an apple.

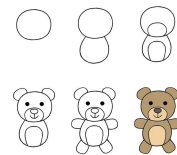

## Understanding the World

Ask your adults to help you freeze water overnight. How does it feel and taste? Take a photo to show your friends at school.

## Communication and Language

Use the step by step instructions to draw your own bear from Goldilocks and the Three Bears.

## Expressive Arts & Design

Use watercolours to paint your version of the Northern Lights. Can you add mountains?

## Reception

Spring 2 2025  
Contrasting Countries  
Seasons: Spring

## Expressive Arts & Design

Draw your favourite Arctic animal. Can you write a caption to describe your picture?

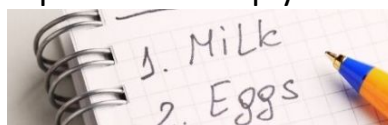

## Mathematics

Set up the table for your family. How many plates and cups do you need?

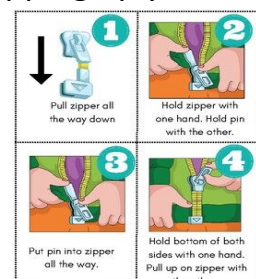

## Literacy

Help your adult to write a list of ingredients for your favourite dish. Use your phonics to help you!

## Physical Development

Practise zipping up your coat to keep warm!

Please complete at least 3 activities and return your projects by Friday 20th March.
