

Year 6 Curriculum leaflet Spring 2

Their Lives, Our Lives

Reading

We will be reading:

- Reading books at our level to develop our fluency.
- DEAR sessions to enjoy reading for pleasure.
- Continuing to develop retrieval and inference skills.
- Exploring new vocabulary and how it is used in context.

Writing

We will be learning to:

- To compare characters within a text.
- To introduce and describe characters using complex sentences and varied punctuation.
- To write with consideration of audience and purpose.
- To understand how to edit and improve writing.

Maths

We will be learning to:

Fractions

- Represent and calculate fractions of amounts.
- Multiply two proper fractions.
- Divide a fraction by an integer.

Decimals and measure

- Convert between standard units of measure.
- Calculate area, perimeter and volume.

PSHE

We will be exploring our **Dreams and Goals**.

We will be learning how to:

- Set personal learning goals with steps to success.
- Strategies to keep trying even when things are difficult.
- Work with others to make a difference.

Physical Education

We have a PE lesson with our coaches every Friday so please wear a PE kit on those days.

We will be learning: **Dance!**

- To become confident with different movements.
- Perform in time with a partner or in a group.

Computing

We will be learning how to:

- Write a program that accepts typed input and produces on screen coding.
- Create an algorithm using sequence and repetition.
- Use logical reasoning to detect and correct errors.

Home Learning

You can help me at home by:

- Helping me with Spellings, Reading and Maths homework.
- Helping me learn my multiplication tables up to 12 x 12.
- Reading with me regularly.
- Signing my Assessment Log.
