

English

In English we will:

- read SFA/RWI books at our level to develop our reading fluency
- read *Leon and the Place Between* and *Stars with Flaming Tails*
- discuss and record ideas
- use joined handwriting throughout independent writing, increasing our fluency over time

Maths

We will be learning about:

- place value and the value of each digit in a number
- comparing and ordering numbers up to 1000
- number bonds to 10 and 20
- using formal written methods to add and subtract

Science

We will be learning about light and to:

- recognise that they need light in order to see things and that dark is the absence of light
- notice that light is reflected from surfaces
- recognise that light from the sun can be dangerous and that there are ways to protect our eyes

Geography

We will be learning to:

- identify what latitude can tell us about the climate
- identify which countries are located in Europe
- recognise simple Ordnance Survey symbols

Curriculum Information

new wave
federation

Year 3 - Autumn 1

Computing

We will be learning about our schools network, focusing on:

- the different processes a computer can follow
- the different types of inputs and outputs

PE

We have a PE lesson every:

Monday and Friday 3W & 3D
Tuesday and Friday 3B

Please ensure your child wears their PE kit on those days.

The focus of the sessions will be handball and tag rugby.

PSHE

Our PSHE focus is Being Me and we will be learning about how:

- our actions impact ourselves and others
- to be active members of our school community
- to connect with others

DT

We will be exploring shell structures, looking closely at:

- exploring 2D and 3D objects
- creating nets
- building gift boxes, including scoring and creating tabs
