

## English

In English we will:

- read **The Last Tree** and **That Rabbit Belongs to Emily Brown**.
- continue to build our reading fluency and comprehension.
- write a comic with captions.
- write a newspaper article.
- write a missing poster for the character Stanley.

## Maths

In maths, we will be learning:

- compare and measure lengths and mass using cm and kg.
- double and halve numbers.
- explore, sort and describe 2D shapes.
- find lines of symmetry in 2D shapes.
- compare and sort 2D and 3D shapes.
- use language to describe position and direction.

## Science

We will begin our **Growing Plants** topic, learning to:

- research when and how to plant seeds and bulbs.
- know what plants need to begin to grow.
- identify plants that grow well in different conditions.
- observe and compare how plants grow over time.

## History

Our history topic is **Marvellous Medics**. We will be learning about:

- medical care in the 1800s.
- Florence Nightingale and Mary Seacole's contribution to the medical care of soldiers during the Crimean War.
- the legacy and impact of Florence Nightingale and Mary Seacole's lives.

## Curriculum Information

new wave  
federation 

## Year 2 - Spring 2

## Computing

Our computing topic is **Pictograms**. We will be learning:

- to create, organise, store, manipulate and retrieve digital content.
- to present data using pictograms.
- to use technology safely and respectfully, keeping personal information private and what to do if we feel unsafe or worried by something online.

## PE

Our PE topics are **Fitness and Dance**. We will be learning how to move our bodies to different music, make routines and practise different dance styles.

We have a PE lesson every:

**2W: Wednesday and Thursday**

**2B: Tuesday and Thursday**

**2D: Monday and Wednesday**

Please ensure your child wears their PE kit to school on these days.

## PSHE and RE

In PSHE, our focus will be **Healthy Bodies** and in RE it will be **Sacred Books**. We will be learning:

- what a balanced diet is and how it keeps us healthy.
- what medicines are and how to use them safely.
- to recognise that sacred texts contain stories which are special and should be treated with respect.

## Art and Design

Our art and design topic is **Expressive Painting**. We will be:

- learning different ways to use paint creatively and expressively.
- exploring the techniques and artwork of: Marela Zacarias, Charlie French, Vincent Van Gogh and Paul Cezanne.
- using gestural mark making within our work.
