

Next half term, we will be understanding the similarities and differences between life in this country and life in other countries; recognising that some environments are different to the one in which we live in. We will also observe changes in plants and animals during Spring and explore life cycles.

Contrasting Countries: The Arctic

Seasons: Spring

Key Words

country

What country do you live in?

seeds

What happens when you plant a seed?

Arctic

What is the Arctic?

plants

What is a plant?

Key Experiences

We will take part in a charity event to adopt a polar bear.

We will grow our own plants and observe the life cycles.
