

English

In English we will:

- read *Victorian House Maid* and *My Life as a Goldfish*
- continue to build our reading fluency and comprehension
- design a poster using different sentence forms
- write a question and answer poem or riddle using what we have read

Maths

We will be learning to:

- explore different calculation strategies
- apply addition and subtraction strategies to solve equations
- illustrate and explain addition and subtraction using column method
- use multiplication and division facts for the three and four times tables

Science

Our Science topic is **Animals including Humans**. We will be learning to:

- extend our learning about offspring which grow into adults
- describe the importance for humans of exercise, eating the right amounts of different types of food and the importance of hygiene
- plan an enquiry to explore the effect of exercise on the body and record our results

History

Our History topic is **The Victorians**. We will be learning about:

- Queen Victoria's life and reign
- how the British Empire enabled Britain to become the richest country in the world
- how life for children changed during Victoria's reign
- how the steam engine led to major developments in transport and the impact of this

Curriculum Information

new wave
federation 

Year 2 - Summer 2

Computing

Our Computing focus is **Programming Quizzes**. We will be learning:

- that programs execute by following precise and unambiguous instructions
- use logical reasoning to predict the behaviour of simple programs
- use technology purposefully to create, organise, store, manipulate and retrieve digital content

PE

We have a PE lesson every **Wednesday, Monday (2D), Tuesday (2B) and Thursday (2W)**. Please ensure your child comes to school in their PE kit on these days.

The units being taught are:

- Hit, catch and run
- Send and return

PSHE

Our PSHE focus is **Changing Me** and we will be learning about:

- life cycles in nature
- the natural process of going from young to old
- how our bodies change
- understand what is acceptable and unacceptable touch

Art and Design

Our topic is **Architecture**. We will be learning:

- how architects design buildings and other structures
- to use digital tools to inspire our work
- to use our imagination to make architectural models and designs
