

# WORKSHOP FOR PARENTS OF CHILDREN WITH POSSIBLE NEURODIVERSITY

## Who is this workshop for?

This is a new workshop for **parents and carers of children who are on our waitlists for an autism assessment**, and who have questions about how to support their child whilst on the waitlist.

## What will we cover?

We aim to cover ideas around:

Supporting children who have specific sensory needs

Supporting children who communicate in a different way to others

Understanding and supporting your child's emotional expression

Questions about the assessment process

This workshop is developed in partnership with families on our autism waiting lists!
