Dear Woodberry Down Families

Re: Mathematics Family Sessions

In our recent Parent Council Meetings, the group discussed how we can support our families with developing confidence in maths. This was specifically about how our families can support our children at home with any homework they are given or with any additional work that you might encourage them to do.

Next week, Mr Middleburg will run two separate sessions for our families to support in this area. These sessions will be held at 9.00am on the following dates:

- Monday 13th November - KS1 (Year 1 & Year 2)
- Monday 20th November - KS2 (Years 3 - 6)

In the meantime, if you have any questions about mathematics or how you can support your child at home, please do not hesitate to speak with your child's classteacher or with our assistant headteacher and maths leader, Mr Middleburg.

Yours sincerely,

Derek Hewie
Headteacher
