Dear KS1 Families,

Re: Reading Come Learn with Me

I wanted to thank those who attended our Come Learn with Me Reading Sessions this week. The slides from this session can be found [here](#).

It is without a doubt that those children who read at home develop a stronger and richer vocabulary and ultimately do better at school. Sharing stories at home increases empathy and shows children new perspectives and new worlds. Twenty minutes each day makes a huge difference and improves the future chances for our children.

Please find below a Reading at Home leaflet to support with this.

If you have any questions or queries about supporting your child with reading, please do not hesitate to contact us.

Yours sincerely

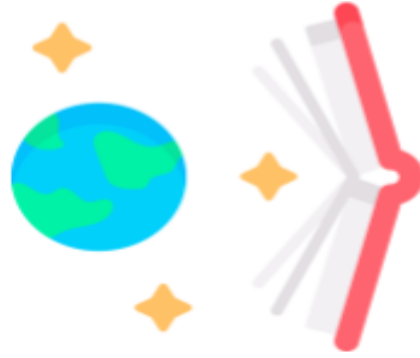

Sophie Graham
Deputy Headteacher
