Dear Year 6 Families

**Re: Revision Schedule**

As you are aware, our Year 6 pupils are due to sit their KS2 SATs tests in May. We have high aspirations for the children and want them to do very well in the exams. We firmly believe that those who achieve well in the tests are well prepared for secondary school and for the next stages of their learning. I know how much you want the children to succeed both here at Woodberry Down and then at secondary school and in later life.

In order to provide the best possible support outside of school, we have published a weekly revision timetable below. The school will provide the children with the necessary reading materials or tasks to complete at home during this time. The completed work should then be returned to school the following day.

Day	Revision Topic	Time
Monday	Reading Comprehension Task	30 minutes
Tuesday	Arithmetic Activity	30 minutes
Wednesday	Reading Comprehension Task	30 minutes
Thursday	Maths Reasoning Task	30 minutes
Friday	Maths Reasoning Task	30 minutes
Saturday	Relax, it's your day off!	
Sunday	Spelling Practice (test on Monday)	20 minutes

As well as the activities above, we are certain that enjoying a chosen book and practising multiplication tables daily will help greatly.

Best wishes

Derek Hewie
