Dear Woodberry Down Families,

**Re: Woodberry Grove Road Safety**

I write further to my message regarding road safety outside our school. You will be aware that we are safeguarded by the school street restrictions on Woodberry Grove at the beginning and end of the school day. This means that it is illegal to drive on Woodberry Grove between the hours of 8.30am - 9.30am and again between 3.00pm - 4.00pm daily. These restrictions are in place to ensure the safety of everyone within our community.

Today, we were fortunate enough to have the attendance of three traffic enforcement officers on Woodberry Grove. A number of fines were issued to drivers using the road illegally as well as to drivers parking close to the school entrance. I can also confirm that two blue badges were removed from drivers who were not accompanied by the blue badge owner.

I want to make you aware that the parking enforcement officers will continue to support us with road safety in front of our school and will actively patrol Woodberry Grove for the coming months. This will improve the safety of our street and the welfare of all of our families. Please do not drive here.

The safety of our children is our utmost priority. I know that we will all be safer when there are no cars on our street.

Thank you to everyone for their support with this matter.

Best regards,

**Derek Hewie**  
**Headteacher**
