Summer Project

Dear Year 1 Parents and Carers,

As part of our summer project, we have a very exciting opportunity for our Year 1 pupils. Please read below for further details and return the attached sheet if you would like your child to participate.

When	<i>Summer term - Summer project</i>
What	<i>Year one will be taking part in the Inside Out Project. This is a global activism project about belonging. The children will be photographed by Ms Osman and their portraits will be mounted onto the outside of the school. Photographs of the installation will be shared with the global project. The message of the art is that Woodberry Down children belong here.</i>
Why	<i>At Woodberry Down Primary School we are experiencing first hand the impact of inner London gentrification. As our city becomes more and more expensive, families are being forced to move away. This is leading to a depletion in the number of children in inner London areas. In year one at Woodberry Down, pupils say "We Belong Here!"</i>
Learning	<i>The children will be learning about: belonging and activism, as well as photography and art installations. Alongside the art installation, we will be making a short film to show the parents and wider community about the theme of belonging.</i>
More information	<i>https://www.insideoutproject.net/en/</i>

In order for your child to participate in the project we need your signed consent to photograph your child and display their face on the side of the school building and for the images of the installation to be a part of the global art project. Please read the attached sheet and sign and return it to your child's class teacher as soon as possible if you agree for your child to take part in this exciting opportunity.

Kind regards,

Year 1 Team
