Dear Reception Families,

Re: Meet the Teacher Information

Thank you for joining us for the Meet the Teacher session on Monday afternoon. We greatly appreciate the time you took to attend and the thoughtful questions you asked. Your engagement helps us build a strong partnership between home and school, which is so important during these early years of learning.

We understand that not everyone could attend in person. The slides from the session are available to view online so that all families have the same information. Please click the link [here](#) to access the information slides.

In addition, you can access the Reception timetables on the school website [here](#).

Please be assured that we are always here to answer any further questions and to support you and your child in every way we can. If anything arises—whether big or small—do not hesitate to speak with your child’s class teacher or a member of the Reception team.

We look forward to working closely with you throughout the year to ensure your child’s start at Woodberry Down is happy and successful.

Best regards,
