Dear Woodberry Down Families

Re: Procedure for Sibling Photos on School Photo Day – Friday 14th November

We would like to let you know about a change to how sibling group photos will be taken on our upcoming School Photo Day on 14th November.

In previous years, sibling photos have been taken during school hours. Unfortunately, due to scheduling, time constraints and the lower hall being used as the dining hall, we are not able to do this during the school day on this occasion.

New Procedure:

If you would like your children to have a family photo taken, please bring them to school at 8.00am on Photo Day. The photographers will be available from 8.00am – 8.45am specifically for sibling groups. Depending on the time your photo is taken, you will need to remain with your child until the playground gate is opened at 8.45am. The children's individual photos will be taken as normal during the day.

Thank you for your understanding and cooperation as we make this change to help the day run smoothly for everyone.

Kind regards,
