## Children's Book Project

Dear Woodberry Down Families,

### Children's Book Project

The Children's Book Project is a charity that has **donated over 2 million books to children** in the UK. I am delighted to announce that Woodberry Down Primary School has received a generous donation of books following a successful application to this charity. We will receive more books throughout this academic year.

This kind gift will allow us to add a **wide range of new and engaging books** to our classrooms and library, supporting our students' enjoyment of reading and their ongoing learning.

In addition to this, **every child will receive their very own book to take home and keep.**

These books are being distributed across year groups this week and every child **should have received their book by Friday.**

Kind regards,

Mr Frederick Waldon
