Dear Nursery Families,

Re: Reception Applications 2026 – Final Reminder

This is a final reminder that if your child was born between 1st September 2021 and 31st August 2022, you must submit their Reception class application by Thursday 15th January 2026.

Applications submitted after this date will be treated as late and will only be processed after all on-time applications. Late applications are significantly less likely to secure a place at a preferred school.

We are aware that the deadline follows the school holiday period and we strongly encourage families to ensure their application is completed before the closing date.

If you require any support or guidance with completing the application, please contact the school office as soon as possible. A member of our team will be happy to help.

Yours sincerely
