Dear Parents/Carers

Pre-Loved School Uniform Initiative – Information for Parents

We are pleased to introduce a new *Pre-Loved School Uniform* system designed to support our school community in a practical, sustainable, and cost-effective way.

As children grow quickly, many uniform items are often still in excellent condition when they are no longer needed. This initiative allows families to donate these items and make use of good-quality second-hand uniform where needed.

How the system works:

- Clearly **labelled containers** will be placed outside the school for:
 - **Donations** – where parents can leave clean, good-quality uniform items their children have outgrown.
 - **Collection** – where parents are welcome to browse and take items their child may need.
- All donated items should be:
 - Washed and in good condition
 - Clearly suitable for reuse (no significant damage or stains)
- Parents and carers are welcome to **take items at any time**, free of charge. This system is based on trust and community spirit—please take only what you need.

Important note:

- This new system is **in addition to our existing Lost Property scheme**, which will continue as usual. Lost property items will still be displayed separately on the clothes rail outside the school office.

Why we are doing this:

- To help reduce the cost of school uniforms for families
- To promote sustainability by reusing clothing
- To support our community through sharing and generosity

We hope this initiative will benefit many families and encourage a culture of reuse and support within our school.

If you have any questions or would like to help support this initiative, please do not hesitate to get in touch.

Your Sincerely

Derek Hewie
Headteacher
