Dear Woodberry Down Families,

**Re: communication with families at Woodberry Down**

At Woodberry Down, we always want to make sure you have the best and most up-to-date information about your child's life at school. A little while ago, many of you told us that you would like a quicker, easier way to see what is happening at school. We listened to your feedback and in response set up our official school Instagram account to meet you where you are. Alongside our regular emails and letters, we use Instagram to share key dates, important reminders and celebrations of the wonderful work our children do every day. It is a fantastic, visual way to stay connected with our school community.

If you have not joined our Instagram community yet, it is very simple to get started:

1. **Download the App:** Open the App Store (for iPhones) or the Google Play Store (for Android phones) on your mobile phone. Search for **Instagram** and download the free app.
2. **Create an Account:** Open the app and follow the prompts to set up a free account using your email address or phone number.
3. **Find Our School:** Tap the magnifying glass icon (the search tool) at the bottom of the screen. Type in our official school handle: **@WoodberryDownN4**
4. **Follow Us:** Tap the blue **'Follow'** button at the top of our page.

We know that our families have different preferences for receiving news and we aim to meet the diverse needs of everyone in our community. If you do not use social media, you can still find all our important events in other ways:

- **The School Website:** You can view our live school calendar at any time by visiting the [School Calendar](#) on our website.
- **Term Dates Letter:** We will shortly be sharing a complete list of key dates for the rest of the Summer term.

Thank you for working with us to keep our school communication strong.

Best wishes,
