Dear Families,

RE: Free Local Community Event – Woodberry Down Guided History Tours

We have been asked by our friends in the local community to share an exciting, free event happening right on our doorstep this weekend.

On Saturday 11th July, there will be two free guided walking tours of the Woodberry Down area. This is a fantastic opportunity for our pupils, parents and families to learn more about the rich history, stories and people that have shaped our local neighbourhood.

What is the event?

The tours will take you on a walk through Woodberry Down and along the New River. You will get to hear personal histories from local residents and discover how the area has transformed over the years.

The tours will start and finish at the **Woodberry Down Outdoor Screenings**. At the end of the walk, families will also have a chance to view the final designs for Phase 5 of the Woodberry Down regeneration project and find out more about what is planned for the future of our community.

Key Details:

- **Date:** Saturday 11th July
- **Tour Times:** 11:00am – 12:00pm or 12:30pm – 1:30pm
- **Cost:** Completely Free

How to Book:

While the event is free, places do need to be booked in advance. If you and your family would like to attend, you can secure your tickets via the Eventbrite link below:

We love seeing our school community engage with the history and future of our local area and we hope many of you will be able to enjoy this wonderful weekend activity.
