Dear Year 1 Families,

Re: Remote Learning

We hope you are all well and would like you to know that we are very much here for you while your child's class is closed. Although we are saddened that school is closed to the majority of pupils, we have been preparing for this scenario for a while and our teachers are ready and excited to deliver learning remotely.

Home Learning

We will be creating teaching videos according to the timetable on page 2 of this letter. In order to watch the teaching videos you'll need to access the Year 1 website at <https://sites.google.com/newwavefederation.co.uk/wd-year1-home-learning/> . Your child will then be able to complete activities in their home learning booklet, which can be downloaded from the same site.

Video Calls

We will arrange small group video calls with your child to take place once a week in the afternoon, which will give them the chance to see a familiar adult and some of their friends. The focus of these sessions and the Google Meet links will be shared in advance via email. If you have any difficulties logging in, please let us know and we will do the best we can to support you with this.

Key Worker/Vulnerable Pupils

We remain open for key worker and vulnerable children. A member of the Year 1 team will be teaching these children in school, whilst the rest of the team provide remote learning for the majority of pupils.

To share work that you child has completed, or to ask any questions about home learning, please use the year group email address: year1wd@newwavefederation.co.uk .

Kind regards,

Matthew Trahair
Asisstant Headteacher
