Dear Year 4 Families

Re: Remote Learning

We hope you are all well and would like you to know that we are very much here for you while your child's class is closed. Although we are saddened that school is closed to the majority of pupils, we have been preparing for this scenario for a while and our teachers are ready and excited to deliver lessons remotely via Google Meets.

Home Learning

We will be live streaming lessons according to the timetable attached on page 2 of this letter. Your child will need to log into google classroom at the start of each timetabled lesson where a link will be posted taking them to a live stream of their lesson. In order for your child to access the lesson, they will need to be logged in on their school Google account. Please check that your child can access their Google Classroom before the lesson starts tomorrow and if you have any questions or queries please contact 07983 442 179.

Video Calls

We will arrange small group video calls with your child to take place weekly in the afternoon, which will give them the chance to see a familiar adult and some of their friends. The focus of these sessions and the Google Meet links will be shared in advance via Google Classroom. If you have any difficulties logging in, please let us know and we will do the best we can to support you with this.

Key Worker/Vulnerable Pupils

Unlike the bubble closure in December, we remain open for key worker and vulnerable children. Ms Arthur will be teaching these children in school, whilst the rest of the team provide remote learning.

If you would like any support with any aspect of home learning or if you would like to pass on a message to your child's class teacher please use the year group email address: year4wd@newwavefederation.co.uk

Kind regards,

Dinah Williams
